

your child will love
it here because we have
our own apple trees.
This school is great
because when your child
behaves they will get
a house points.

Huge field

Delicious lunches

Values

Fun learning

Kind teachers

Rewards

Playtimes

This School
is great because
the teachers
are lovely. I
love this school
because your
child can learn
and play.

the school
lunches, on
Wednesday
we have roast
chicken. We
have a great
hall.

I love this
school because
we get certificates
golding time
house points and
marbles.

Your child will
love it here
because school
is great.

Thank you for visiting St Giles' C of E (A) Infant School today. We hope you enjoy looking at this wonderful leaflet, written by our current Year 2 pupils! We hope you enjoy reading their honest and true reflections of life at St Giles'.

We are a small, inclusive school where every child matters to us. We know their individual personalities, their strengths and there is never any 'ceiling' put on a child's learning.

Our vision, "Loving God and loving our Neighbour" underpins everything we stand for at St Giles' -through our words and our actions; in our curriculum and in how we teach the children to respect and value others in school but also in our wider community. We hope you will choose St Giles' for your child where we are 'small in size but big on personality'!

Mrs Angus

Headteacher

We look forward to seeing you again soon!

The children have written some of their favourite things about St. Giles.
