

# St. Giles' Infant School

## EYFS 60 Second Curriculum

Talk for Writing text:  
We're Going on a Bear Hunt

### Dangerous Dinosaurs

'Dangerous Dinosaurs' teaches children about the different animals that roamed Earth millions of years ago and how they are related to animals that live on Earth today.

'Puddles and Rainbows' teaches children about the weather that happens during spring and allows them to explore natural phenomena, including rainbows. It supports them to explore colour in the natural world.

### Puddles and Rainbows

### Suggested Home Learning

- Complete the Dangerous Dinosaurs home learning booklet
- Go on a walk on a rainy day. Have fun jumping in and over muddy puddles.
- Make a weather chart to show what the weather is like each day.
- Springtime plants grow in the spring, when the weather is sunny and rainy. Plant some seeds in pots and care for them so that they can grow. Use the pictures to talk about what plants need to grow.

#### Key words

Carnivore  
Fossil  
Extinct  
Herbivore  
Palaeontologist  
Prehistoric  
Reptile

Key words  
Cloud  
Hail  
Rainbow  
Season  
spring
